Addendum #3

Liquidated Damages & Opening Date

This Addendum is issued to address the liquidated damages requirement as well as a reschedule of the opening date.

Bid Number #1212-025

Community Park Water Well Project

- 1. The opening date has been changed from Thursday December 22, 2011 @ 2:00pm to Wednesday January 4, 2012 @ 2:00pm**
- 2. Liquidated damages shall be changed throughout the project manual to read Five Hundred Dollars and zero cents (\$500.00).**

***TIME IS OF THE ESSENCE FOR THIS PROJECT** and the OPERATOR will pay liquated damages of \$500.00 per calendar day for work that is not completed by the established completion date, which will be 90 calendar days from 'Notice to Proceed' date.*

It is the City of Frisco's expectation that once the contract has been executed that a 'Notice To Proceed' will be given and the OPERATOR will commence work and CONTINUE working on the project in an orderly fashion until the project is completed.

Upon completion of the work, the OPERATOR shall remove from the site all materials, tools and equipment belonging to the Operator and leave the site with a clean, neat appearance acceptable to the CITY.

All litter and debris removed must be disposed of in a certified landfill operation, in accordance with current Federal, State and Local regulations.

Time is of the essence and days to complete will be a factor in the awarding of the contract. All three wells are to be completed and in production within 90 days of notice to proceed, therefore The City may elect to award multiple contractors to achieve this goal.
